

# OPWDD Front Door Information Sessions

Presented by **SKIP of New York**

Opening the door to a richer, fuller life—that’s the goal of OPWDD’s new Front Door—a person-centered approach for people with developmental disabilities that prioritizes individual choices, needs, and desires in making decisions. These sessions will offer participants an understanding of OPWDD’s mission and purpose; the process to become eligible for OPWDD supports and services; types of supports and services available; and where individuals and families can go to get assistance.
